

Cone Penetration Testing (CPT) Operator

Opportunity: Permanent, full time position

Competitive salary (to be agreed) with overtime opportunities

25 days holiday plus Bank Holidays

Workplace pension scheme

Overnight allowance when staying away from home

Start date: Immediate

Location: UK based

Job Summary and Requirements:

- Carrying out cone penetration testing (CPT) which is a form of site investigation on sites across the UK, potentially overseas.
- The position involves working on our vast array of rigs. The successful applicant would learn how to drive and operate these rigs to complete CPTs and carry out the job successfully.
- There is a lot of travelling involved with this position and nights away from home.
- A full UK driving licence is essential.
- Full training will be given on the job by our friendly, senior operating team.
- No previous knowledge of CPTs is required.
- Basic ICT knowledge essential, especially the use of Microsoft Excel.
- Dedication and ability to work successfully with others in a team is essential.
- Client focus: ability to generate client satisfaction, potentially resulting in long term client relationships and additional business.
- Basic mechanical skills an advantage.
- Opportunities to grow and learn professionally.
